### **Passing of former Mayor George Nerhan**

Former Mayor Gurmeet “George” Nerhan passed away peacefully in his home this week. George served as Mayor of Huachuca City, Arizona from 2001-2009 and twelve years on the Town Planning & Zoning Board.

While serving as Mayor some of his contributions to our community are, but not limited to the following: he helped bring the pool to Huachuca City as well as freely giving equipment for Town use. He also helped obtain funding for new sewer lines and facility improvements at the Town ballparks.

Born and raised in the state of Punjab of Northern India, Nerhan left India in 1960 for the University of Oxford in England and then attended the London Institute of Technology where he studied automobile engineering. He came to the United States in 1964 and attended college in Berkeley, Calif. George was drafted by the U.S. Army in 1966 and served two tours in Vietnam. George retired after 22 years service to his country. George moved to Huachuca City in 1974 with his family.

During his 40+ years in Huachuca City, George owned many properties and several businesses in Huachuca City, and was well known in the area. The Town will be posting funeral arrangements as they become available.

Thank you George Nerhan & family for your service to Huachuca City.

Sincerely,

Mayor Ken Taylor
